Executive Committee Conference Call
December 13, 2019, 9am

On Call: Linda Webb, Marlene Thomas, Katie Sevon

Absent from call: Angela Lane

Katie Sevon discussed the options for the Career Pathways funding for FY20 and reviewed the option to move into prevention. Katie Sevon reviewed the discussion by the Board, the estimated amount of funds remaining in the grant and the changes needed to move into prevention. The options were discussed and based on the amount of funding left in the grant and the time left in the fiscal year the Executive Committee discussed that the Career Pathways program should be released via RFP again without moving into prevention at this point. Linda Webb made a motion to reissue the RFP to identify a vendor for the Career Pathways program for the funding amount remaining on the grant. Marlene Thomas seconded the motion, all were in favor, none opposed, and the motion passed.

Meeting adjourned.
