Talbot County Board of Education**

**Reviewers Present:** Holly Ireland, Catherine Poe, Katie Sevon, Anthony Smith, Dale Skinner, Jan Willis

The Service Review Committee met and discussed the proposals received in response to the RFP released in June 2017. Seven proposals were reviewed.

- For All Seasons
- Upper Shore Workforce Innovations and Opportunities Office
- Board of Child Care
- Parker Consulting, LLC – Support and Connect
- Life’s Energy Wellness Center, Inc.
- Foundation of HOPE, Inc.
- Parker Consulting, LLC – Career Pathways

An eighth proposal was submitted after the deadline and therefore disqualified.

After a full discussion, Holly Ireland made the motion to recommend to the Executive Committee that the TFN fund the For All Seasons proposal for the Support and Connect Program, and the Upper Shore Workforce Innovations and Opportunities Office for the Career Pathways program at the requested amounts. Anthony Smith seconded the motion and the motion passed unanimously. It was also mentioned that a few of the submissions had great potential for future projects and that should be reflected in their notification letters.
